# THE NAC DIFFERENCE

**MORE ESSENTIAL TODAY  
THAN EVER**

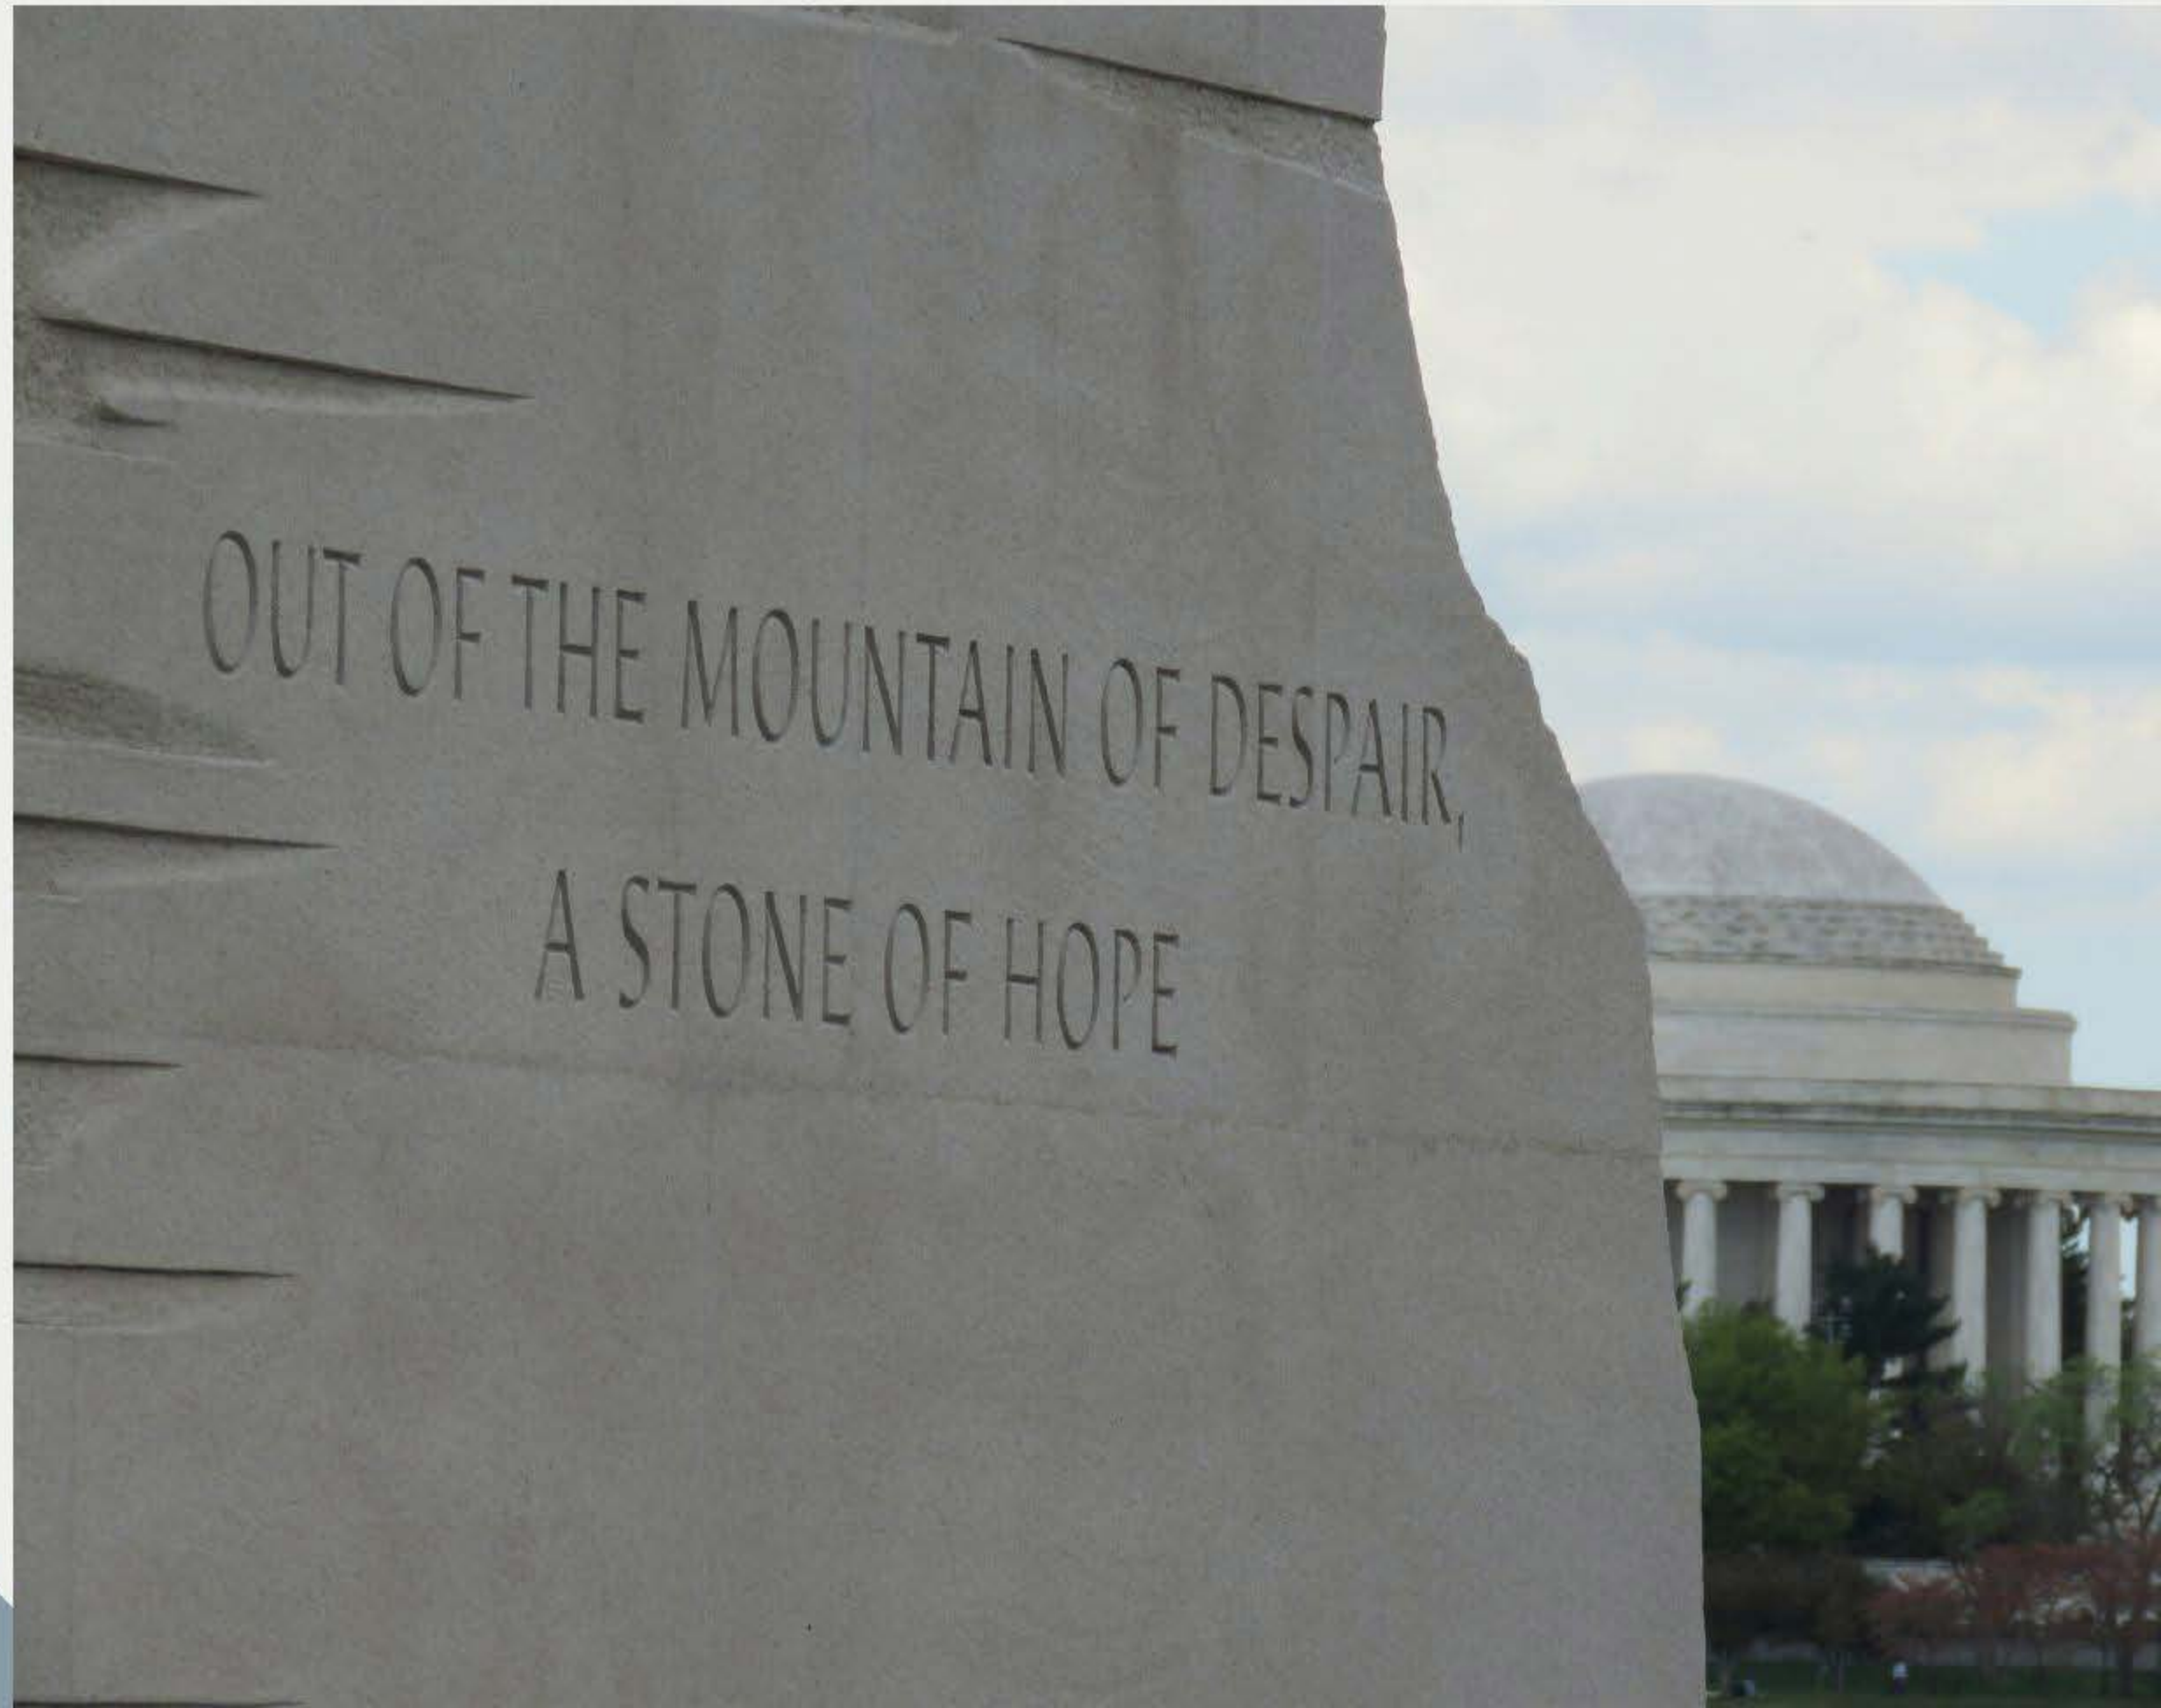

NAC reflects the spirituality, history and mission of the Congregation of Our Lady of Charity of the Good Shepherd, working in solidarity with those on the margins - particularly families, women and children. Inherent in our values is a focus on the dignity of the human person.

**BUILDING AWARENESS AND STIMULATING SOCIAL ACTION**

Working at the federal level to encourage just policies, to challenge unjust policies, and to develop positive alternatives when needed so as to be in solidarity with those on the margins.
